“ I’ve stayed up rereading all of our messages over the years. Smelling the small sample of perfume you gave me to smell you when I went away. Rereading your emails....

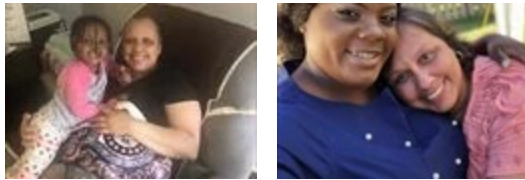

I spent all night remembering the wisdom and advice you’ve given me. The most amazing wife, mother, colleague, and friend. You fulfilled all of those roles effortlessly and taught me to be a better woman and mother!

You fought a long fight, Susan.

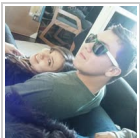

Although my heart is broken, I’m comforted in knowing you’re no longer suffering and in pain.

Please, all, keep Susan’s amazing husband and three beautiful babies in prayer!

Rest well, Susan!

“ *Susan, an extremely kind and caring person.
Her encouraging words gave others hope.
You could always count on her to enlighten the mood with a good joke!
A gentle soul with such a BIG HEART! Beautiful inside and out, funny, and smart.
A courageous warrior of prayer and faith til the end.
I am honored and blessed to have known and called her MY FRIEND!
Oh Susan, the human language is too premature to articulate my love for you, as I wish you write so many other things, but I don't want to hold you as I know you're looking very angelic and want to test out your new WINGS!
Fly high my angel ❤️❤️*
