

Mrs. Susanna Miller of Hoffman Estates

June 20, 1962 - January 29, 2025

Susanna Miller- Bockrath, 62, of Hoffman Estates, Illinois - passed away on January 29th, 2025 surrounded by her loved ones. She was born on June 20th, 1962 to Anita and Anton Huber.

She leaves behind her loving husband, Michael Bockrath; daughters Melissa (Nick) Klosterman, Megan Bockrath; grandchildren Lacey, Jameson and Milo; mother Anita Huber; sister Christina (Richard) Smith; and many nieces and nephews.

She joined her son Stephen Anthony Miller and Father, Anton Huber in her death.

She loved going on Princess cruises with her husband, often going to the same ports because she loved it that much (St. Thomas-Magens Bay). It's on one of those cruises where she found her love for paintings by Thomas Kincade.

Susan also loved Disney, taking many vacations to Disney world to share the magic of being a child with her daughter. She subscribed to Disney plus, mostly to look at it and tell her grandkids what was new and suggest movies and shows for them to watch.

She worked in customer service her entire working career, the past 12 years at Sensient Flavors in Hoffman Estates, but should have worked for the FBI because she did a better job at investigating. Almost every night she would tell her husband she is going to go watch the Investigation Discovery channel to relax and unwind before going to sleep.

Visitation will be held on Sunday, February 2, 2025 from 2:00 P.M. to 6:00 P.M. and Monday, February 3, 2025 from 10:00 A.M. to time of funeral service at 11:00 A.M. at Morizzo Funeral Home and Cremation Services at 2550 West Hassell Road, (Northeast corner at Barrington Road), Hoffman Estates, Illinois 60169. Interment to follow at St. Michael the Archangel Cemetery in Palatine.

“ I worked with Susan for more than 11 years. We started at Sensient a week apart and since day one, I could see she was one of a kind! Smart, dedicated, hardworking, funny and talented. She learned so quickly that she started running reports for us to make our jobs easier and more efficient.

My last conversation with her about work is that we were going to use her report results on a project and she was very happy and excited to be able to show our team her approach! Her work ethic is like none other. She was a great example to all of us! She was an amazing person and she will collaborate with everyone always. She was always very respectful and supportive and professional.

She loved Mike in a way that we all knew how great Mike was with her and how much he cared about her and loved her. One of her last texts to me was the past week's cold days. She needed to stay home because Mike was concerned for her. Every time she would talk about Mike she will have a smile on her face. She was looking forward for their next trip together!

Susan loved her daughter Melissa and her three grandchildren. She would always tell us how smart Melissa is. When she would spend time with them she would return so happy and tell us how much joy they bring to her life. Melissa and the kids brought an amazing joy to her life! She loved them deeply!

Her time on earth was too short, but she touch all our lives and now God has an amazing, analytical, caring, kind, lovely Angel who will bring to Heaven more grace and blessings to all of us.

I will miss her deeply and we will never forget her! She will be in our memories for eternity!

I am blessed to have met Susan and work with her all these wonderful years!

“ Susan was definitely inquisitive and independent lady. She had a wry sense of humor and enjoyed a good joke or funny story whether telling it or listening. Susan was introspective but when she had a suggestion or an opinion, she shared it. Susan was strong in spirit and conviction.

She was able to teach many of us to work smarter not harder; for this I am grateful. Susan’s work ethic was steeped in her during her family years in the 60’s and 70’s. Her family and Susan believed in working hard, doing the best job and contributing to the success of the company as well as her personal success.

She was a wonderful team member, who pitched in and supported others both personally and professionally. Susan was a lifetime learner...she loved learning about new things—technology, finances, food industry business and of course, real crime investigations.

Susan loved her husband, Mike dearly and took joy in their time together on vacations or just having dinner together. Mike’s sweetness and kindness were little things that meant a lot to Susan. Mike’s concern and loving ways showed themselves in the bouquets of flowers that arrived here at work, his trips to the Jewel, his protectiveness of her during Covid and so many other ways. It was wonderful to see this successful partnership.

Susan took great pride and enjoyment in telling us about her grandchildren. They were her joy and delight. From Lacey’s successes in school and Jameson’s unmeasurable boy energy and the sweetness of the new addition, Milo. We heard about the Wheel of Misfortune, school fun and of course the family time you were all able to spend together—Susan loved her family deeply.

As part of Susan’s work family, I can say there is a whole in our hearts where Susan once resided. I feel very fortunate to have worked and laughed with Susan and will focus on remembering her

with love. Miss you much Monica

“ Susan, I am so going to missing you! We sat together for years and known each other for decades. Shared each others ups and downs in life. Thank you for always listening, for being kind, compassionate and patient. You quietly embodied strength, tenacity, and empathy all with a quick wit and a big smile. You will truly be missed.
