“ Sylvia will always have a place in my heart. She was such a kind and happy soul. From high school workout buddies to reconnecting and buddying up at work, she never changed. Sylvia got me through my first nursing job and I will always be grateful. She truly is the sweetest, nicest, most caring person and an amazing fellow nurse. I will miss her dearly. ❤️

“ *Sylvia, you are a wonderful person. We didn't really get to know each other until after community college although we went to the same grade school, junior high, high school, and community college together. We even graduated from the same nursing program. You drove me to the court house and we walked around the neighborhood together. We had plans to get better nursing jobs and improve our quality of life. May you rest in peace Sylvia and my condolences to your family.*
