“ I remember Tats as a quiet, competent man with a great sense of humor. Once he brought chicken to a picnic and joked that it was frog legs when I complimented him on how good it was. Not only did he give me the recipe but he provided the seasoned coating for my first try at making it. It was an extremely kind gesture that I won't forget.

Condolences to his family...

“ *I only met Bobby and Jill once a long time ago. But I knew Tats from SGI for a number of years. I am so sorry for their loss. Tats was always supportive and kind to me and to others. At SGI meetings he always had important and collaborative and helpful things to say and to contribute to others and to the meetings. He always thought of others first and tried to help guide them. He was a strong Buddhist, very very sincere as an SGI member and always remembered and supported the thoughts of Nichiren Daishonin in his heart. He was a very good person. My thoughts go out to all who knew him. I will remember his kindness.*
