“ *I was so saddened to hear of the loss of Terry. Although I only have been connected in more recent yrs. with the Amanti & Marchisotta Families through marriage, the close bond, joy & love Terry shared with Judy, Elise, Sarah, extended family & friends was apparent. I know he will be missed greatly by many. May your tears subside and the cherished memories bring you peace. He suffers no more. Love and prayers, Pamela Litz-Blevons (Rick & Sarah's Aunt)*

“ *Some of my best childhood memories I can recall, included your family. What I remember of Terry is that he had such a wonderful sense of humor. I know that he will truly be missed. I pray that the Lord will comfort your family and that Terry can rest in peace. Love and miss you all! -Gina Tilelli (Russotto)*

“ We would like to express our sincere condolences to you and your family and know that we are thinking of you and your family as you celebrate Terry's remarkable life and the memories you shared. One of my personal favorites growing up with terry was at Christmas time when we were children and how he would run from one end of the house to the other to find Santa clause. He was hell bent on catching him. I've attached a more recent photo of when we all got together on Christmas Eve at the bowling ally - the only place big enough for all of us to get together for the holidays.

*Terry and I worked together at Fred Fox for many years. My favorite memories of him are when we were both young and shooting weddings (me as a photographer and he as a videographer). When we shot a wedding together, we would sometimes go to Denny's afterward. We would eat and talk about our families and about work as well as what we wanted to accomplish in the future. At that time, Terry's dream was to leave Flying Tigers and work as a videographer full time. He more than accomplished that! I remember him as a man that loved his family and his work. God Bless all of you as you go through this difficult time.

“ I try my best to occupy my mind Dad but naturally I think of you often. 99% of my surroundings remind me of you. Its then that I get that warm rush that starts in my stomach and works its way up to my throat and then settles in my heart. It hurts but its also comforting to know you are with the Lord. I just miss you terribly. I promised you I would be okay and I will in time. You showed me strength and for that I am grateful. You are the best part of me. Please don't forget that you told me you would try your best to visit me. I'm holding you up on that. Kiss everyone there for me and I will do the same for you here. Love you Dad, my Hero.
