“ *Mike and I knew Val for a long time and watched Katelyn grow up. We were shocked and sad to hear the news of her shortened life. she was a talented young lady and an awesome mother. Our sympathy and prayers are with her and her family. Love, Mike and Sal*

“ *Keith and Patty, I'm so sorry for your family. I remember when Tammy & I were living in my parents' basement. Val came there and spent the night with us. She was about 4 years old or so and she was so cute. Seeing her as a grown-up was great and even more amazingly, she remembered me and knew exactly who I was.*

“ *Growing up with you was so much fun! We definitely got into our fair share of trouble together. Haha! You were always happy, always pushing forward, always loving everyone before yourself. You were just cool. You and I didn't ask to be friends, but we ended up being BEST pals, and eventually we turned into family. I will miss you forever. Love you, Val*
