“ Over the past few months I had the honor to be asked to help out when Vic needed his PT and Nurse to come in. During these times we watched so many episodes of *The Price is Right*, we both knew how much things cost in the 1970's and 80's. We spent a lot of time laughing. I heard so many stories about his Vegas days and all his traveling. I will miss him and our time together but I know he is without pain now. So for one last time, "One, Two, Tree!" 💙

“ *Victor was my older brother my sister and I used to joke when we would go to the casino with him we could never find him. My sister would say he blends in with the crowd. He loved to win and we were suppose to go to the new Rockford casino grand opening a few weeks ago when his neck gave him pain. Spending his last few hours with him I realized the pain he must have been in. I will always remember him as my big brother with whom I felt safe. Rest easy Vic I'll always think of you*
