“ *I was so sorry to hear the news of Bills passing. I have known Bill for about 20 years, as he has been taking care of my vehicles at least that long. He was the most kind hearted honest guy I have ever met and I always enjoyed our Saturday morning chats while I waited for my oil change. I will miss these chats on Saturday mornings but I find comfort in knowing he is no longer suffering. Rest in Peace Bill. My heart felt condolences go out to Sabrina and the whole Burd family.*

“ *I've known Bill since his days as lead mechanic at Rogner's Shell on the corner of Higgins and Roselle Roads. I was surprised when he turned down the offer of taking over Rogner's when he went to just towing but had the fortitude to open his own shop with Sabrina. He will be missed and my prayers are with Sabrina and the family.*

“ My family and I have been taking our cars to Bill for years. It can be really hard to find an honest mechanic. Then we found Bill. He never steered us wrong and was always true to his word. He loved to share stories and his knowledge whenever I was there. He was great guy and he will be missed. Our condolences to the family in this time of loss. Please rest assured that Bill is now in good hands.

“ Our family have known Bill and his family for over 25 years. We trusted Bill with our cars over the years and got to know him very well. I always enjoyed the conversations that we would have whilst I would wait for my car. Bill and I would try and solve all the problems of the world but his favorite subject was his family he was very proud of his children. Bill was a very brave man and fought hard when he got sick.
We will miss him. Where ever you are I am sure you will be playing your guitar! Rest In peace our friend!
Our condolences to Sabrina and her family.

“ We met Bill through our son who was a Streamwood police officer for 23 years. Bill was a fun and honest man who loved people and helping his fellow men in any way he could. He was our mechanic and became a good friend, he was a gear head like my husband and our son, they would spend hours sharing stories of drag racing and discussing cars. To say he will be greatly missed is an understatement. Our deepest condolences to the Burd family. RIP Bill.

“ *I'm blessed to have known Bill for the past few years as my very trusted mechanic for my family's three vehicles. Bill was honest and fair and always went the extra mile for me and all of his customers. Even though he was busy, Bill always took the time to talk to me personally, not just about cars. I was heartbroken to hear that Bill had lost his battle with his recent health issues. Bill was a fighter but in the end it was his time to be with God. My sincere condolences to the Burd family and all of Bill's friends!*

“ *I moved to the area because of a divorce in 2015 with an 11 year old car. Burd gave me hope and such great service I still have the car. I loved to talk to him about the DMV and that truck he has been trying to get rid of for years! Although we didn't agree politically, I enjoyed a good respectful discussion with him. I remember when one of his son's came in and he was so loving to him. And the dog... What a character! What a joy to know! RIP Burd...*

“ *There are no words to express our sadness hearing of Bills passing. Bill was an honest, hard working, loving family man and friend to all he met.*

I remember the first time I met him at the elementary school our kids attended. It was snowing hard, and there stood Bill, among a sea of waiting moms, with a sled to take Spencer home! It was so sweet! I asked someone who he was and several people answered at once, as everyone knew him.

He became my friend and mechanic that day. I used to joke with him that he was better then any bartender or shrink to talk to!

Our love and prayers to the Burd family. He will be missed, and never forgotten .

“ Bill and I became friends through Olivia Shelkey. I started using Burd's Auto Bays as my primary mechanic shop even though I live on the south side of Chicago. I always looked forward to having great conversations with Bill about music while I waited for my car to be serviced. We both love rock and roll music, only I never played an instrument. Even though we talked about me getting to hear him play, it never happened. I wish it would have. RIP Bill!
