“ *I am truly sadden by the passing of my friend Bill, I will miss the times we shared talking about everything and anything. I am glad we became friends we shared a love for art, dogs, and having the same taste in candy!!! (he could of opened a candy store).....I use to joke with him and say if they took a look at his blood thru a microscope they'd see candy bars floating around. May your memories of him bring a smile to your face and in your hearts. With my deepest sympathy, Mary Rogus*
