

## Mr. William Michael Link of DesPlaines

March 5, 1957 - March 27, 2021

William Michael Link, 64, of DesPlaines, Illinois

Bill was originally from Berwyn/Roselle, IL, but as a young adult he moved and lived between Texas and Arizona for most of his life. Arizona is where his heart truly is. He recently came home when he became ill to end the chapter of his life where it began...with family. Anyone who knew Bill knows of his skill of being a contractor/builder in construction of every kind. From building homes, re-modeling, to pools, and landscaping. It was his life's career and he was highly successful at it!! He was a "Jack of all trades". He also excelled at art and design! Bill loved the outdoors, fishing, sports and riding his Harley bike. He's well known for his quick wit and sense of humor. Also, it cannot go without mentioning his "strong" personality and independence.

The greatest joy and love of his life were his boys. For him it gave him the meaning for life itself.

Loving father of Kevin Link and Braydon Link; devoted grandfather of Avah Link; cherished brother of Donna (Gary) Koral, Susan Katsan and Ken (Tracy) Link; beloved nephew of James and Mary Ann Bernas and many many, nephews, nieces, cousins, family and friends.

Bill was preceded in death by his parents William E. and Vera Link; his sister

Cheryl Julien; and his nephew Shane G. Katsan.

“ *We moved across the street from the Link family when I was 10. Our parents became good friends and our fathers would go fishing in Canada every year. One year they took Me and Bill. I remember getting into a fight with him, probably over something stupid like whose turn it was to wash the dishes that night. My family moved east for awhile and when we moved back we reconnected and hung out for years until he moved away. Many times we laughed about that trip, and other memories we had of our families. I pass along all the good thoughts from the Jordan family to the Link family.*
